There will be three meetings held, and the same information will be presented at each meeting. You are encouraged to attend the meeting most convenient to you for time and location.

10 to 11:30 am at the Sutter County Veterans Hall, 1425 Veterans Memorial Circle

Wednesday, September 25th—Oroville,

Please join us for an update on the Draft Northern Sacramento Valley Integrated Regional Water Management Plan (IRWMP) and a discussion of the next steps/schedule of the NSV Board for discussion and possible adoption of the Plan. We seek your feedback and comments on the Public Review Draft Plan, which is anticipated to be officially released by the NSV Board on September 9, 2013. All decisions will be made by the NSV Board when it considers adoption of the Plan in December 2013.

The six counties of the Northern Sacramento Valley (Butte, Colusa, Glenn, Shasta, Sutter and Tehama) are working together on an integrated regional plan to address water-related issues such as water supply reliability; flood protection and planning; water quality protection and enhancement; watershed protection and management; integrated regional water management sustainability; and public education and information dissemination. The counties have committed to developing the valley-wide Integrated Regional Water Management Plan by December 2013.
