

# Navigating NRCS Programs and Processes

## Free Workshop

**January 20, 2011 | 1:00 - 4:00 p.m.**

Colusa Industrial Park Conference Room  
100 Sunrise Blvd. | Colusa, CA 95932

- Do you have natural resource issues on your land?
- Are you aware of the USDA Farm Bill assistance programs available to you?

The Natural Resources Conservation Service and the Colusa County Resource Conservation District are teaming up to present an overview of the USDA Farm Bill assistance programs. It is our goal to enable local producers to take full advantage of these programs to address resource issues on their land and ensure that they can successfully compete for government program funding directed at improving our local natural resources.

NRCS technical experts will provide valuable information to landowners and will be available to answer your questions. Don't miss out on this unique opportunity!

*A second workshop (date to be determined) will be held to assist interested participants to begin the application process.*

**For more information, please contact the Colusa County NRCS:  
Andrea Casey - 458-2931 or email: [andrea.casey@ca.usda.gov](mailto:andrea.casey@ca.usda.gov)**
